

Serving Your Cable Management Needs for
OVER 30 YEARS

5 INCH

**POWER AND DATA
CORD REEL PLATFORM**

The 5 INCH platform is the original Konnectronix cord reel platform that originated in 1989. This platform continues to stand the test of time delivering new low voltage power, data and signal solutions for myriad applications in industries as diverse as automation, telecommunications, and even industrial. Designed to accommodate various cable designs and constructions, this platform allows for up to 25 feet of retractable cable length.

5 INCH

SPECIFICATIONS:

Electrical

5V @ 3A (based on standard cable configuration)

Environmental

Operating Temperature: -20 °C to 85 °C

Material

ABS (Black)(Alternate colors available in Volume)

Physical

Dimensions: 5" L x 5" W x 1.81" H

Retractable Cable Length: Up to 25 Feet*

Cable Type: Customer Specified

Connectors: Customer Specified

Mounting: Slide Bracket

Optional Internal Ratchet System

Certification

ROHS Certification Optional

PATENTED TECHNOLOGY

The 5 INCH platform may be covered by one or more patents. For a complete listing, please visit
